## Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

## Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO publishes patent applications 18 months from the date of filing. If the USPTO publishes the application of an invention, the invention is not a defense agency matter under 35 USC 181 and will not require a secrecy order. If the application is not published, the application will be deemed to be a defense agency matter. The application will be deemed to be a defense agency matter unless the application is approved by the USPTO for publication as a non-patentable invention.
